MAN Automotive (South Africa) Proprietary Limited

MAN AUTOMOTIVE (SOUTH AFRICA) PROPRIETARY LIMITED – STANDARD WARRANTY TERMS AND CONDITIONS

1. General

- 1.1. These warranty conditions are applicable to any vehicle chassis assembled in or imported into the Republic of South Africa by MAN Automotive (South Africa) Proprietary Limited ("MAN") and the original components thereof ("Vehicle") as well as to all MAN Genuine Parts, MAN Genuine Parts ecoline and MAN Genuine Accessories ("Part/s").
- 1.2. MAN warrants to the original purchaser of a Vehicle and/or Part that such Vehicle or Part is free from defects in material and workmanship and fit for the conditions of normal use.
- 1.3. Save as otherwise agreed by MAN in writing, these warranty conditions are only available to the first purchaser of the Vehicle or Part ("Original Purchaser") and cannot be relied on, ceded or assigned to any third party or to a subsequent purchaser.
- 1.4. Whenever in these conditions the term "Warranty" is used in relation to a Vehicle or Part, it means that the component or part is warranted as being free from defects in material and fit for conditions of normal use for the stipulated distance or period subject to the provisions of these conditions.

2. Commencement of Warranty Period

The Warranty period commences on the date upon which the Vehicle or Part is delivered to the Original Purchaser.

3. Conditions

- 3.1. All official MAN services and maintenance as stipulated in the MAN Recommended Maintenance Instruction Manual and other prescribed MAN Manuals must be carried out by authorised MAN workshops and certified in the Maintenance Record Booklet supplied with the Vehicle or Part.
- 3.2. Corrosion prevention procedures must be followed and follow-up anti-corrosion treatment must be conducted –
 - 3.2.1. 12 (twelve) months after date of delivery; and
 - 3.2.2. 36 (thirty six) months after date of delivery.
- 3.3. Fitment of approved bodies/superstructures to the Vehicle's chassis must be in accordance with MAN guidelines.
- 3.4. Adherence to MAN's standard engine and Vehicle preservation procedures in the event that, for any reason, the Vehicle is not used normally for a period of longer than 3 (three) months.
- 3.5. The Original Purchaser is obliged to –
 - 3.5.1. procure all relevant details relating to MAN's standard engine and Vehicle preservation procedures and to properly implement such procedures in accordance with clause 3.4 above;
 - 3.5.2. make the Vehicle available for the execution of the services listed above and to ensure that all services are carried out from 2,000km's (two thousand kilometres) before and no later than 2000km's (two thousand kilometres) after the scheduled service interval for such service; and
 - 3.5.3. ensure that the MAN Maintenance Record Booklet is available at the time when prescribed services are carried out in order to update the Vehicle's service history.
- 3.6. This warranty only remains valid provided that and for as long as the Original Purchaser complies in all respects with the aforementioned conditions and requirements and any other service or maintenance requirements which MAN may reasonably stipulate in respect of the Vehicle or Part from time to time.

4. Warranty Coverage

- 4.1. The entire Vehicle is warranted with effect from the date of delivery to the Original Purchaser for the period specified on the Warranty Registration Card. The components that are covered include but are not limited to:
 - 4.1.1. Starter and Alternator.
 - 4.1.2. Cooling System (Radiator and Intercooler).
 - 4.1.3. Compressor.
 - 4.1.4. Electrical and Electronic Components and wiring.
- 4.2. Subject to paragraph 3.1 above, the warranty on the following driveline components is further extended for the period specified on the Warranty Registration document:
 - 4.2.1. MAN Engines* Including:
 - a. Turbo Charger.
 - b. Water Pump.
 - c. Cooling Fan.
 - d. Injector Pump.
 - e. Fuel Injectors.
 - 4.2.2. Transmissions* including prop-shafts.
 - 4.2.3. MAN drive axles and tandems*.
**Internal Lubricated Parts only*
- 4.3. Truck cabs fitted by MAN onto the Vehicle are warranted against rust corrosion for a period of 60 (sixty) months from the date of delivery to the Original Purchaser.
- 4.4. The Original Purchaser is obliged to deliver the Vehicle at its own cost to an authorised MAN workshop for the relevant servicers and anti-corrosion treatment at the intervals specified in clause 3 above and in the MAN Recommended Maintenance Instruction Manual and other prescribed MAN Manuals.

- 4.5. In respect of Parts, the following warranty periods apply:
- 4.5.1. Parts sold to the Original Purchaser and fitted by an authorised MAN workshop, 24 (twenty four) months from the date of purchase, including and limited to labour charges to repair the defect(s) or fit replacement Parts and the cost of the replacement Parts.
 - 4.5.2. Parts sold over the counter and not fitted by an authorised MAN workshop, 12 (twelve) months from the date of purchase, excluding labour charges for the fitment of replacement Parts.
 - 4.5.3. All electronic and electrical Parts sold to the Original Purchaser are covered by the warranty in accordance with clause 4.5.1 above only if they are fitted to the Vehicle by an authorised MAN workshop.
- 4.6. The warranty provisions relating to Parts in clause 4.5 above do not cover normal wear and tear; they apply to the purchased Part only and do not apply to the Vehicle as a whole or to any other individual components thereof.

5. Claim Procedure and Compensation

- 5.1. Subject to the provisions of this warranty, MAN will repair, free of charge, any Vehicle(s) or Part(s) supplied or replaced and any Parts which are recognized by MAN to be defective and fail to be repaired or replaced in accordance with the provisions of this warranty.
- 5.2. The warranty period of any replacement Part or repaired Part will be identical with the remainder of the warranty period still applicable to the original Part. Parts that are removed and replaced by MAN will become the property of MAN.
- 5.3. Any claims in terms of this warranty must be reported to MAN as soon as practicable after a breakdown occurs or a defect is discovered, failing which the warranty shall lapse in respect of the Vehicle and/or Part in question.
- 5.4. No remedial or repair work is to be undertaken by the Original Purchaser without prior inspection and written approval by an authorised MAN representative and if any unapproved remedial or repair work is undertaken, this warranty will lapse immediately.

6. Limitations and Exclusions

This Warranty is limited to the repair/replacement of the Vehicle and/or Part only and does not cover –

- 6.1. damage caused to the Vehicle and/or Part by the use of excessive force in relation to the Vehicle or Part;
- 6.2. damage caused by inadequate or faulty maintenance of the Vehicle or Part;
- 6.3. any claim in respect of a Vehicle which has been involved in an accident or where a Vehicle has previously been involved in an accident and repairs were not done by an authorised MAN workshop or an MAN Approved and Certified Repairer;
- 6.4. damage caused by the abuse of the Vehicle or Part;
- 6.5. damage caused by clogged and/or dirty fuel lines and filters;
- 6.6. any parts/components not manufactured or approved by MAN or components which have been modified;
- 6.7. normal wear and tear of clutch linings, brake drums, brake linings, V-belts, bearings, windscreen wiper blades, electric bulbs, trailer or fifth wheel couplings, tyres and rims and glass;
- 6.8. any parts/components/equipment/bodies/coach craft/trailers/cranes fitted to the Vehicle after assembly;
- 6.9. any claims where the Original Purchaser has failed to comply properly with the Manufacturers Operating Manual, MAN Recommended Maintenance Instruction Manual and any other Instructions and/or Manuals prescribed by MAN or has failed to have the prescribed services and maintenance work properly carried out by authorised MAN workshops;
- 6.10. any claim relating to a Vehicle or Part in cases where the manufacturer's ascribed gross vehicle weight, axle loads or payloads have been exceeded even if only on one occasion;
- 6.11. electronic components damaged by welding, jump-starting or other incorrect procedures;
- 6.12. any claim relating to approved bodies/superstructures which are fitted to the Vehicle's chassis, which will be covered by the warranty given by the manufacturer and installer thereof;
- 6.13. any claim relating to a Vehicle or Part in cases where lubrication or service products that are not approved by MAN have been used;
- 6.14. any claim relating to a Vehicle or Part which is used predominantly on untarred roads or tarred roads which are not in a condition of reasonable repair;
- 6.15. any claim relating to a Vehicle where the body or superstructure built thereon has not been properly engineered or designed in accordance with MAN approved standards and guidelines;
- 6.16. any claim for any loss or damages howsoever suffered, and irrespective of whether such damages arose under a claim in delict or in contract or otherwise and whether they arise from the gross negligence or wilful misconduct of MAN and its employees, agents or sub-contractors; and
- 6.17. a claim by any person other than the Original Purchaser of the Vehicle or Part unless MAN has consented in writing to the cession of a claim or the right to claim to a third party.

7. Effective Date

This document is effective for Vehicles and Parts delivered by MAN with effect from 01 June 2017.

8. Applicable Law

This Warranty and all matters arising therefrom are governed by the laws of the Republic of South Africa.

Hi Pravin

The bank release is not signed by the bank representative. Henry called to say that the contract is signed and if he gets back to work in time today he will sign it and send it through.

The insurance is also not in place. The vehicle is standing at MAN Cape Town until Wednesday for collection so the customer is not specifying the truck on his insurance.

Please advise if we may release.

Thanks
Sandy
